

CA Ankita Patni- CA CS CMA Courses

CA Ankita Patni is the only one faculty in India who has got more than 10 lakh Views on YOUTUBE for IPCC LAW Lecture. Taught thousands of students through live & Virtual platform in a short span of 5 years. She believes in Conceptual Clarity with Cumulative revision. Subject will cover in class itself.

[CA Ankita Patni](#) is one of the best examples for students as at such a small age she has become one of the renowned faculty of India. CA is not just about the age and experience but it is also about the skill and passion. She has proved this and made herself stand in the industry with the experience of more than 5 years. She always motivates the students and guides them towards a successful CA journey.

CA Ankita Patni believes in positive and healthy relationships between teachers and students can be extremely beneficial at all levels of an educational establishment, within the classroom and across the school environment as a whole.

From improved self-esteem to increased engagement, there are a number of benefits of establishing positive student-teacher relationships between educators and pupils of all ages. Educators and students can experience these benefits with the use of methods that include communicating positive expectations, demonstrating caring, and developing classroom pride.

As positive student-teacher relationships continue to develop, the long-lasting effects benefit not only students and teachers but parents and administrators as well.

The students are able to connect more with her because she knows how to handle the young minds and make them understand concepts with much patience.

CA classes are not just about CA but much more than that is what she believes. Ankita Patni is one of the most favourite faculty when it comes to students.
